TUB QUALITY

Bath Tec uses high quality sanitary grade cast acrylic sheet with a **10 years** warranty with solid wood core and woven roving fiberglass providing you with durability.

Bath Tec® *Platinum* Colección

TUB QUALITY

• Faucet Materials

High quality faucet copper material:

Copper is currently the best material for faucet manufacturing and almost all mainstream high brands on the market are copper faucets.

• Ceramic Cartridge

High-quality ceramic cartridge:

It has the advantages of high-temperature resistance, chemical corrosion resistance, wear resistance, high mechanical strength and good lubricating properties.

• Aerator

High-quality aerator:

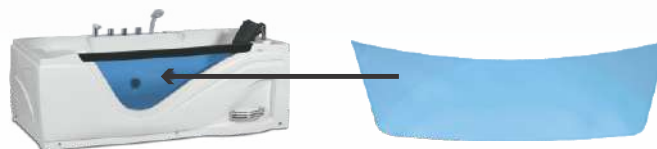

The high quality aerator can make the flowing water and air fully mixed to produce a foaming effect.

Water Pump

**99.9% Copper
 Winding Wire**

Tempered Glass

We used Tempered Glass in every Tub
